

ADMISSION PROCEDURE

Pre – Primary Class:

Admission is based on activities to assess the thinking skills and the ability to identify and associate fundamental concepts like shapes, colours, objects and numbers. The oral skills and level of understanding is judged by an interactive session with the child. The test is a tool for IDENTIFICATION and not elimination.

Class I, II & III:

The child is tested with objective type questions based on recapitulation of basic question in English, Maths and second language.

Class IV & V:

Test is conducted in English, Mathematics, Second language and Mental ability to assess the logical thinking and numerical aptitude of the child.

Class VI, VII & VIII:

The child is tested in English, Mathematics and Science to judge the understanding level of the concepts and in Mental Ability to test the rational thinking of the child.
